

Grants for Unanticipated Needs

The Asian Pacific Endowment will make **up to \$500 per organization** available to Asian Pacific Islander-focused organizations for opportunities that arise outside of our annual grant round. This grant is specifically intended to be for unanticipated emergencies where the applicant organization was not aware of the circumstances and so could not apply under the regular grant round.

Applicant organizations must hold 501(c)(3) nonprofit status or obtain a fiscal agent that has this status.

No formal proposal is required. Please submit a **letter of request** (limited to 2 pages), which includes:

- brief background about the applicant organization
- the reason why the request is taking place at this time and not through the annual grant round
- a project budget

These requests will be considered by the Advisory Board at their next regularly scheduled monthly meeting. If approved, an application form and additional documents will be required.
