

The North Star Society of The Saint Paul & Minnesota Community Foundations recognizes individuals and families who provide for the community's future by including their fund in their will or estate plans. The generosity of North Star Society members will be a beacon for generations to come.

Society members receive special benefits and recognition, including:

- Invitations to special educational and social events
- Recognition at Foundation events
- A membership certificate
- A commemorative society lapel pin

**“We hope to light one little candle.
If there are enough people doing kind
things, it changes the community.”**
